Summary – Water Rates

On January 12, 2024, East Slope Water Company, Inc. (“East Slope” or “Company”) filed with the Arizona Corporation Commission (“Commission”) an application for an order determining the fair value of its utility plant and property used for the provision of water utility service, and approving rates and charges for utility service designed to produce a fair return thereon.

East Slope requests authorization to increase its water rates to generate total revenues of \$988,445. This would constitute an increase in revenues of \$413,975, or 72.06 percent, over test year revenues of \$574,470. For a customer served by a 5/8 x 3/4-inch meter with a median monthly consumption of 3,483 gallons, the proposed rate increase would increase the monthly bill by \$21.23 or 64.26 percent, from a current monthly bill of \$33.04 to \$54.27.

Summary – Consolidation

East Slope has also requested authorization from the Commission to consolidate with Baca Float Water Company, Inc., Clear Springs Utility Company, Inc., Mescal Lakes Water Systems, Inc., and Naco Water Company, L.L.C. into a new water and wastewater district to be known as Hearthstone Water South. If the consolidation is authorized by the Commission, the proposed water rates for Hearthstone Water South would increase the monthly water bill of a current East Slope residential customer using a 5/8 x 3/4-inch meter with a median monthly consumption of 3,483 gallons by \$17.81, or 53.90 percent, from \$33.04 to \$50.85.

In addition to the rate increase, East Slope requests approval of a regulatory expense surcharge. East Slope has calculated the proposed monthly regulatory expense surcharge for current East Slope customers to be \$0.76 per customer for water service.

NEITHER THE COMMISSION’S UTILITIES DIVISION (“STAFF”) NOR ANY INTERVENOR HAS YET MADE ANY RECOMMENDATION REGARDING COMPANY’S APPLICATION. THE COMMISSION IS NOT BOUND BY THE PROPOSALS OF COMPANY, STAFF, OR ANY INTERVENORS. THE COMMISSION WILL DETERMINE THE APPROPRIATE RELIEF TO BE GRANTED IN RESPONSE TO COMPANY’S APPLICATION BASED ON THE EVIDENCE PRESENTED IN THIS MATTER. THE FINAL RATES APPROVED BY THE COMMISSION MAY BE HIGHER, LOWER, OR DIFFERENT THAN THE RATES PROPOSED BY COMPANY OR BY OTHER PARTIES.

About Intervention

The law provides for an open public hearing at which, under appropriate circumstances, interested persons may intervene. An interested person may be granted intervention if the outcome of the case will directly and substantially impact the person, and the person's intervention will not unduly broaden the issues in the case. Intervention, among other things, entitles a party to present sworn evidence at hearing and to cross-examine other parties' witnesses. **Intervention is not required for you to appear at the hearing and provide public comment, to file written comments in the record of the case, or to receive emailed notice of each filing made in the case by following the docket.**

Information about what intervention means, including an explanation of the rights and responsibilities of an intervenor, is available on the Commission's website (www.azcc.gov) by clicking on "Cases and Open Meetings" and then clicking on "Intervene in a Case." The information includes a Sample Intervention Request and a Fillable Intervention Request Form.

To request intervention, you must file a written request to intervene, either (a) by filing a hard copy request (meeting filing requirements) with Docket Control (Docket Control,

1200 West Washington, Phoenix, AZ 85007), or (b) by eFiling the request. Your request **must be filed or eFiled no later than May 15, 2024**. Instructions and restrictions for eFiling are available on the Commission's website at <http://azcc.gov/hearing/efile-for-utilities-instruction>. You also **must** serve a copy of the request to intervene on each party of record, on the same day that you file the request to intervene with the Commission.

2. The docket number for the case in which you are requesting to intervene;
3. A short statement explaining:
 - g. Your interest in the proceeding (e.g., a customer of the regulated company involved, a property owner in an area to be affected by the case, etc.),

4. A statement certifying that you have sent a copy of your request to intervene to the regulated company or its attorney and to all other parties of record in the case; and

This only applies if you are NOT representing yourself and you are not a licensed attorney.
