

**Boil Water Notice Rescinded**  
**7/10/2024**

On 7/10/24, the Texas Commission on Environmental Quality required the PWS:TX 0610217 Longhorn Meadows Addition in the Westover Ranch and Tim Donald Rd to issue a Boil Water Notice to inform customers, individuals, or employees that due to conditions which occurred recently in the public water system. The water from this public water system was required to be boiled prior to use for drinking water or human consumption purposes.

The public water system has made the necessary repairs to the water line. Since the repairs were completed without loss of system water pressure, the boil water notice is not necessary and is therefore being rescinded.
